HOLIDAY GARBAGE PICK-UP SCHEDULE 2009

ELECTRICAL DEPARTMENT REMINDERS

Please be advised that any trees or other impediments to power lines in the utility right of way must be removed or trimmed. This requirement is necessary to ensure that Trees and other impediments do not damage lines so that all electrical customers can have service with minimal interruption.

State and Federal safety regulations require that anyone working within 10 feet of a high-voltage electrical line must have proper training and certification. Most private tree companies do not meet this requirement. Before these companies can prune or remove trees, City of Rupert Electric Department

must first trim the trees to minimize or eliminate the risk of branches falling into the power lines. This is for your safety.
